TAG - Epoxy Tag

Product Description

The TAG is an elegant proximity tag, giving you a lightweight and discreet credential option. It is available in quantities of 25 and, as with other CDVI cards and badges, can be personalized with your company logo (minimum order of 1,000 units).

CDVI offers a variety of access control credentials with different technologies (125 kHz proximity or MIFARE®). You'll find the ideal credentials to meet the needs of your installation.

Key Features

- CDVI 26-bit encoding 125 kHz

- Sequential decimal number printed on each card

- Available in packs of 25

CE Certification

DEEE

RoHS Certification
